Если Вы хотите получить эту информацию на каком-либо другом языке, пожалуйста, сообщите об этом в Районный Совет Восточного Линдси

Welcome to the Sports Club Directory 2010. This directory has been compiled in partnership between East Lindsey District Council and the Coastal and Wolds School Sport Partnerships. May we take this opportunity to thank all of the sports clubs who have registered their contact details with us so far.

Looking for a Sports Club?

The directory is a one stop guide to sports clubs across the District. With over 140 clubs listed in over 35 different sports, it will help you find the right opportunity in your chosen activity.

FREE Promotion for Sports Clubs

Should you wish to include your club or if the details of your club are listed incorrectly, please complete and return the card attached to the back of this directory or alternatively contact the Club and Volunteer Officer on 01507 601111 or email at sportsdevelopment@e-lindsey.gov.uk

The information contained within the East Lindsey Sports Directory has been provided by sports clubs. It is the responsibility of each club to ensure that information relating to their club is up to date. East Lindsey is not responsible for the accuracy of information provided by clubs and accepts no liability relating to any information contained in this booklet. It is recommended that you contact a club directly in order to establish specific opportunities available.

This information can be made available in other languages and formats upon request, such as large print, Braille and audio cassette. Please contact the Sports Development Team on 01507 601111.

Sports Forums

Sports Forums are information channels that meet regularly to assist our sporting communities. Advice and support is offered on a range of key issues to sports clubs, these include:

- Child protection
- Club development
- Funding
- Club accreditation
- School/Club links
- Administration

We are committed to creating a network of partnerships to provide and develop sporting initiatives, to improve sport and leisure provision and usage. This support network is offered through our established local sport forums currently taking place in the following towns; Louth, Mablethorpe /Sutton on Sea, Skegness, Spilsby, Alford, Horncastle/Woodhall Spa, Market Rasen/Caistor and Tattershall/Coningsby.

More information can be found by visiting www.e-lindsey.gov.uk.

National Governing Body Accreditation

Sport England's Clubmark is a cross-sport accreditation scheme for sports clubs with junior sections. It is a national standard recognising quality sports clubs, and is designed to help sports clubs develop to be the best they can be, ensuring that young people can reach their potential in a safe, child friendly environment. Accreditation enables parents and schools to identify suitable sports clubs for young people to attend.

Most sports governing bodies run their own sport specific scheme based on national criteria. Examples include:

- FA Charter Standard – The Football Association
- Swim 21 – Swimming
- SOA – Rugby Football Union
- Golfmark – Golf
- ClubFirst – Hockey

Accredited clubs are those that have been recognised as providing sports opportunities within safe, effective and child-friendly environments. Many clubs provide such opportunities already but have not been through the accreditation process. Pages 8 and 9 detail questions parents and carers may wish to consider when choosing a sports club.

For more information please contact the Club & Volunteer Development Officer on 01507 601111, email sportsdevelopment@e-lindsey.gov.uk, or visit our website at www.e-lindsey.gov.uk.

Questions for parents or carers to consider when choosing a sports club

The sports club or organisation should be working to minimum operating standards outlined by their National Governing Body. In addition the sports club or organisation should ideally hold or be committed to working towards National Governing Body Accreditation e.g. Clubmark.

Child protection policy

- Clubs or organisations should have a child protection policy
- Parents or carers should be aware of the policy and be able to view the policy on request.

Vulnerable Adults

- Clubs or organisations should have an adult protection policy (where applicable)
- Parents or carers should be aware of the policy and be able to view the policy on request.

Code of conduct

- Clubs or organisations should have a written code of conduct for parents or carers, coaches, club staff or volunteers and participants.

Insurance

- The club or organisation should have public liability insurance.

Health and safety

The premises or venue should satisfy fire regulations.

The club or organisation should issue a consent form for all new members requesting details of emergency contacts, medical history and consent for your child to be photographed or videoed.

The club or organisation should have:

- Somebody on site who holds a first aid qualification, access to a first aid box and telephone
- Guidelines for dealing with injuries
- Mechanisms in place to ensure the safety of the venue and equipment.

Your role as a parent or carer

Always ensure that the young people you are responsible for have:

- The correct kit or equipment
- A suitable drink when required
- Sun cream if needed
- Medication if required

If in doubt contact the club or organisation for specific requirements.

How to report your concerns

Sports clubs and organisations should have a designated child protection / welfare officer. They are the first point of contact if you have any concerns.

Alternatively more information can be found by contacting the Sports National Governing Body Child Protection Officer, details can be found at www.cpsu.org.uk/scripts/orgsearch or by contacting the Lincolnshire Sports Partnership.

Pauline Yemm, Partnership Development Manager

Working with schools and community to...

**'give every young person access
to five hours of high quality
PE and sport every week'**

The Lincolnshire Coastal School Sport Partnership (based out of Skegness Grammar School) is a central government funded initiative supporting local schools to raise standards of PE and to increase participation in sport/physical activity.

The main aim of schools and school sport partnerships is a five hour PE and sport target which lies at the heart of the legacy aims of the London 2012 Olympic Games.

The aim is:

- For 5-16 year olds schools are expected to provide three of the five hours each week: two hours through high quality PE within the curriculum and at least one hour a week of sport for all young people beyond the curriculum (out of hours on school sites). Community and sports clubs' providers will seek to ensure that an additional two hours a week are available.

Engaging young people through -

- *A choice of different sports*
- *Coaching to improve skills and enjoyment*

Encouraging young people through -

- *Access to competitive sport*

Empowering young people through -

- *Pathways to club and elite sport*
- *Opportunities to lead and volunteer in sport*

Working to get more children and young people taking part in high quality PE and sport

Lincolnshire Coastal School Sport Partnership

Helping to create a world class system of PE and sport for young people

Sports Force

Volunteers are the backbone of sport in the UK with thousands of sports clubs and organisations reliant on the contribution from sports volunteers.

Sports Force is a volunteering initiative that aims to maximise the impact of sports volunteers within Lincolnshire. Through the development of a volunteer workforce database Sports Force will seek to achieve optimal impact upon sports participation within Lincolnshire.

Sports Force is a matching service putting volunteers in touch with organisations in need of their help. Clubs must register with Sports Force and meet minimum standards which then allow them to advertise opportunities to volunteers.

Sports Force will:

- Recruit volunteers
- Promote volunteer opportunities
- Deliver volunteer training
- Recognise the work of volunteers

How to get involved

Whether you are a sports club, event, organisation, or would be volunteer Sports Force can help you.

Please contact the Sports Force team to request and application form.

Sports Force

Tedder Hall, Manby Park, Manby, Lincolnshire LN11 8UP
sportsforce@e-lindsey.gov.uk

Based at Caistor Grammar School, Church St, Caistor, Lincolnshire LN76QJ Tel: 01472851250
Alan Grantham - Partnership Development Manager

Working with Primary and Secondary Schools Developing PE and Sport

- Providing sports coaching in schools for over 7000 children.
- Organising over 70 different sports competitions and festivals each year (see the competitions website www.lssc.co.uk).
- Funding towards sports equipment and PE resources in schools.
- Supporting sports leadership opportunities for all ages.
- Providing high quality PE training for teachers and support staff.

Working Towards 5 hours of PE and Sport per Week for All Young People

- Teaching non swimmers in Years 6 & 7 to swim 25 metres through the Top Up Swimming Programme.
- Training school children to cycle safely on our roads through the Bikeability Scheme.
- Developing links between schools and community sports clubs.
- Working with other key agencies that deliver sport including West and East Lindsey District Councils, the Lincolnshire Sports Partnership and all the National Governing Bodies of Sport.

Encouraging Young People to Live an Active and Healthy Lifestyle
